

Dear Parents/Guardians,

As the 2020-21 school year approaches we are faced with uncertainties and an ever changing school landscape. AJCHS wants to assure you we are thoughtfully considering each and every decision that is being made. Your student's health, safety and education are of the utmost importance to us. While we would all like to return to "normal", we are trying to do our best to educate students while also minimizing risk to our school community.

Please be patient with this school year and help convey that patience to your students. Every plan that is put in place is subject to change depending on directives from the Illinois State Board of Education (ISBE) and Illinois Dept of Public Health (IDPH). AJCHS will do our best to communicate changes in a timely and thoughtful manner; we will need your help keeping an open line of communication with you and your student(s).

AJCHS realizes Covid-19 has impacted many in our community in many ways. If you or your family are facing educational challenges, please let us know. Please feel free to reach out to AJCHS with any questions or concerns you may have.

Please fill out the following information so we can best fulfill your students learning needs.

Sincerely,

Brett Detering
Principal A-JCHS

Student Name _____ Grade Level _____

Does your student have access to a computer or electronic device to complete remote learning?

Yes _____ No _____

Does your student have access to WiFi to complete remote learning?

Yes _____ No _____

Which modified learning option would you like to choose for your student? Option 1 or 2

- 1) Blended in person and remote learning
- 2) Remote learning only

Note: Once families decide what is best for them, you are committing to that option for the first quarter of school.
