

## **ANNA-JONESBORO COMMUNITY HIGH SCHOOL**

November 30, 2020

A-JCHS District 81 Parents and Guardians,

This year (2020-21), in the event that inclement weather causes a cancellation of in-person learning, A-JCHS will have a remote learning day for all students.

The day will proceed almost identically to our Monday remote learning days during this school year. All students will still need to check in on TeacherEase between 7 and 9 a.m.

Students will access classroom items from their teachers as they do on Mondays, (Google Classroom, e-mails, etc.). The Illinois State Board of Education requires that students participate in at least five hours of learning on remote days.

Parents will still receive an all-call from the school indicating that in-person learning will not take place that day, and the school will use the various media outlets (local television stations, The AJ Wildcats Facebook page, etc.) to inform parents and students as well. If we have any weather-related in-person learning cancellations this school year, please remind your student/s that they are expected to take part in remote learning on those days. We appreciate your cooperation in this manner.

If you have any questions, please call the office.

Sincerely,

Brett Detering, Principal
