Anna-Jonesboro Community High School Announces New Procedures for Athletic Events

In an effort to ensure the safety of all attendees and protect school facilities, Anna-Jonesboro Community High School is implementing new procedures for both indoor and outdoor athletic events effective immediately.

Indoor Sporting Events:

To create a safe and orderly environment:

- Children attending indoor events must remain in the gymnasium and be supervised by a parent or guardian at all times.
- Children will not be allowed on the stage or permitted to run through the school building during events.
- Athletic balls and other sports equipment will not be allowed inside the gym during games.

Outdoor Sporting Events:

To help preserve the condition of the school's athletic facilities:

- No food or drinks will be allowed on the turf field **during outdoor sporting events.**

“These new procedures are designed to ensure a safe, respectful, and enjoyable experience for everyone who attends our events,” says AJCHS Superintendent Brett Detering. “We appreciate the cooperation of our families and community members in helping us maintain our school facilities and promote a positive environment.”

For questions or additional information, please contact the AJCHS Superintendent Brett Detering (618) 833-8502.
